

CCPA - DO NOT SELL MY PERSONAL INFORMATION

Important:

CCPA applies to California residents only.

California defines the “sale” of data very broadly, including the sharing of data with third parties, not simply selling your information for monetary compensation.

As explained in greater detail in our Privacy Policy section for California Residents, certain sharing of your personal data is necessary for us to complete any transaction that you enter into with Holiday Inn Club Vacations. You have the right, at any time, to direct us not to share your personal information. To opt-out, please email PII_Privacy@holidayinnclub.com or call **1-888-884-8532** with the following information to help us identify you in our system:

- First and Last Name
- Address
- City
- State of Residence
- Phone Number
- Email Address

We will act upon opt-out requests within 15 days of receipt and will notify you when the request has been processed.
